

UNIT 3: LEARNING LOG

POVERTY, INEQUALITY AND HEALTH

1. What I learned today about poverty and inequalities.

2. Ideas or issues that were new to me.

3. Notes on ideas I have for the group presentation.

4. Ideas from today that link with that topic.

UNIT 3: LEARNING LOG (CONT)

5. Community Health Profiles

Think back to the exercise where you searched for health information in relation to your own area and others. What were the key areas of inequality that were highlighted and can you say why you think this is the case?

Give 3 examples of inequalities and the reasons for this:

1.

2.

3.
