

UUNIT 7: LEARNING LOG

THE GROUP PRESENTATION

My thoughts about the Group Presentation

1. How I felt about doing it.

2. What I was pleased about.

3. Anything I would do differently next time?

4. Any new thoughts I had, or new learning for me today?

5. Questions that this has raised for me. Any particular person/organisation/department who could give me the answers?

Use extra paper if you wish
