

UNIT 13: LEARNING LOG

GETTING BELOW THE SURFACE

Think about your own experience of school and write a few notes.

1. What did you like about learning?

2. What did you not like about learning?

3. What were the key points about popular education approaches that you learned from today's session?

UNIT 13: LEARNING LOG (CONT)

4. Are there methods/techniques you would like to try out or find out more about?

5. How did you find the session today?

6. How did you feel you contributed to today's session?

7. Do you feel you have any key strengths or areas for improvement?
